Cookie Settings. We use essential first-party storage and, only with your consent, privacy-focused analytics to understand aggregated website usage. We do not use advertising cookies or sell browsing data.

Cookie Preferences

The banner lets you accept analytics or reject all non-essential technologies. Your choice is stored in the first-party `audexa_cookie_consent_v1` cookie and local storage for up to one year.

Analytics

Vercel Web Analytics is loaded only after you accept analytics. It is used for aggregated visit and performance metrics and is not used for advertising or profiling. See our Subprocessors page for the provider and scope.

Managing or withdrawing consent

You can change or withdraw your choice at any time using the cookie preferences control in the footer. You can also manage storage through your browser settings. Essential storage may remain active because it is required to remember your choice and operate the site.
